# Grant the Dream

## Grant the Dream

It is said that the mightiest oak was once an acorn. But no tree can grow alone. Without the nurturing light of the sun, without the sustaining strength of water, the acorn will never reach its branches to the sky.

The members of our faith community at Our Lady of the Cape Parish are no different at any age. We need help to develop our full potential.

Our Lady of the Cape Parish has as its mission the spiritual, moral and faith formation of our entire church community. For over 50 years, our fellow parishioners have shared a dream to develop the spiritual and physical campuses at Our Lady of the Cape Parish that will encourage seniors, families and children to focus their lives and energies on the Good News of the Gospel. Importantly, the parish campuses will be a true home base for all our parishioners, especially those who need more help than others.

## Grant the Dream

Now, however, our Dream requires the nourishment of maintaining, restoring and replacing the brick and mortar of our two churches, parish center and rectory. To do so we must continue providing the necessary facilities and educational technologies to inspire and encourage faith formation and learning of Catholic values for both adults and children.

*Our Dream includes these important Parish projects:*

- *New Roof on Parish Center*
- *Memorial Prayer Garden*
- *Replacement of Boiler and Updating of Heating System*
- *Plow Truck*

*Choose the best way for you to Grant the Dream including Estate Planning and Endowment Gifts!*

*Please join us and Grant the Dream through giving to our annual capital campaign to build for the future.*
